## Board of Trustees

Few colleges have had the dedicated, effective service by a Board of Trustees that Tyler Junior College now enjoys and has enjoyed for many years.

The wise and forward-looking policies adopted by the Board of Trustees of Tyler Junior College and the effective measures the Board has instituted to implement these policies have led to the national recognition of Tyler Junior College—as illustrated by the fact that it was the *only* junior college recognized for excellence by the Southern Regional Education Board and cited as an example of an *effective* community college.

Therefore, the students of Tyler Junior College, who are the beneficiaries of this service, gratefully dedicate the 1965 Apache to the Board of Trustees of Tyler Junior College.

to the Board With Sincere  
Appreciation

# Foreword

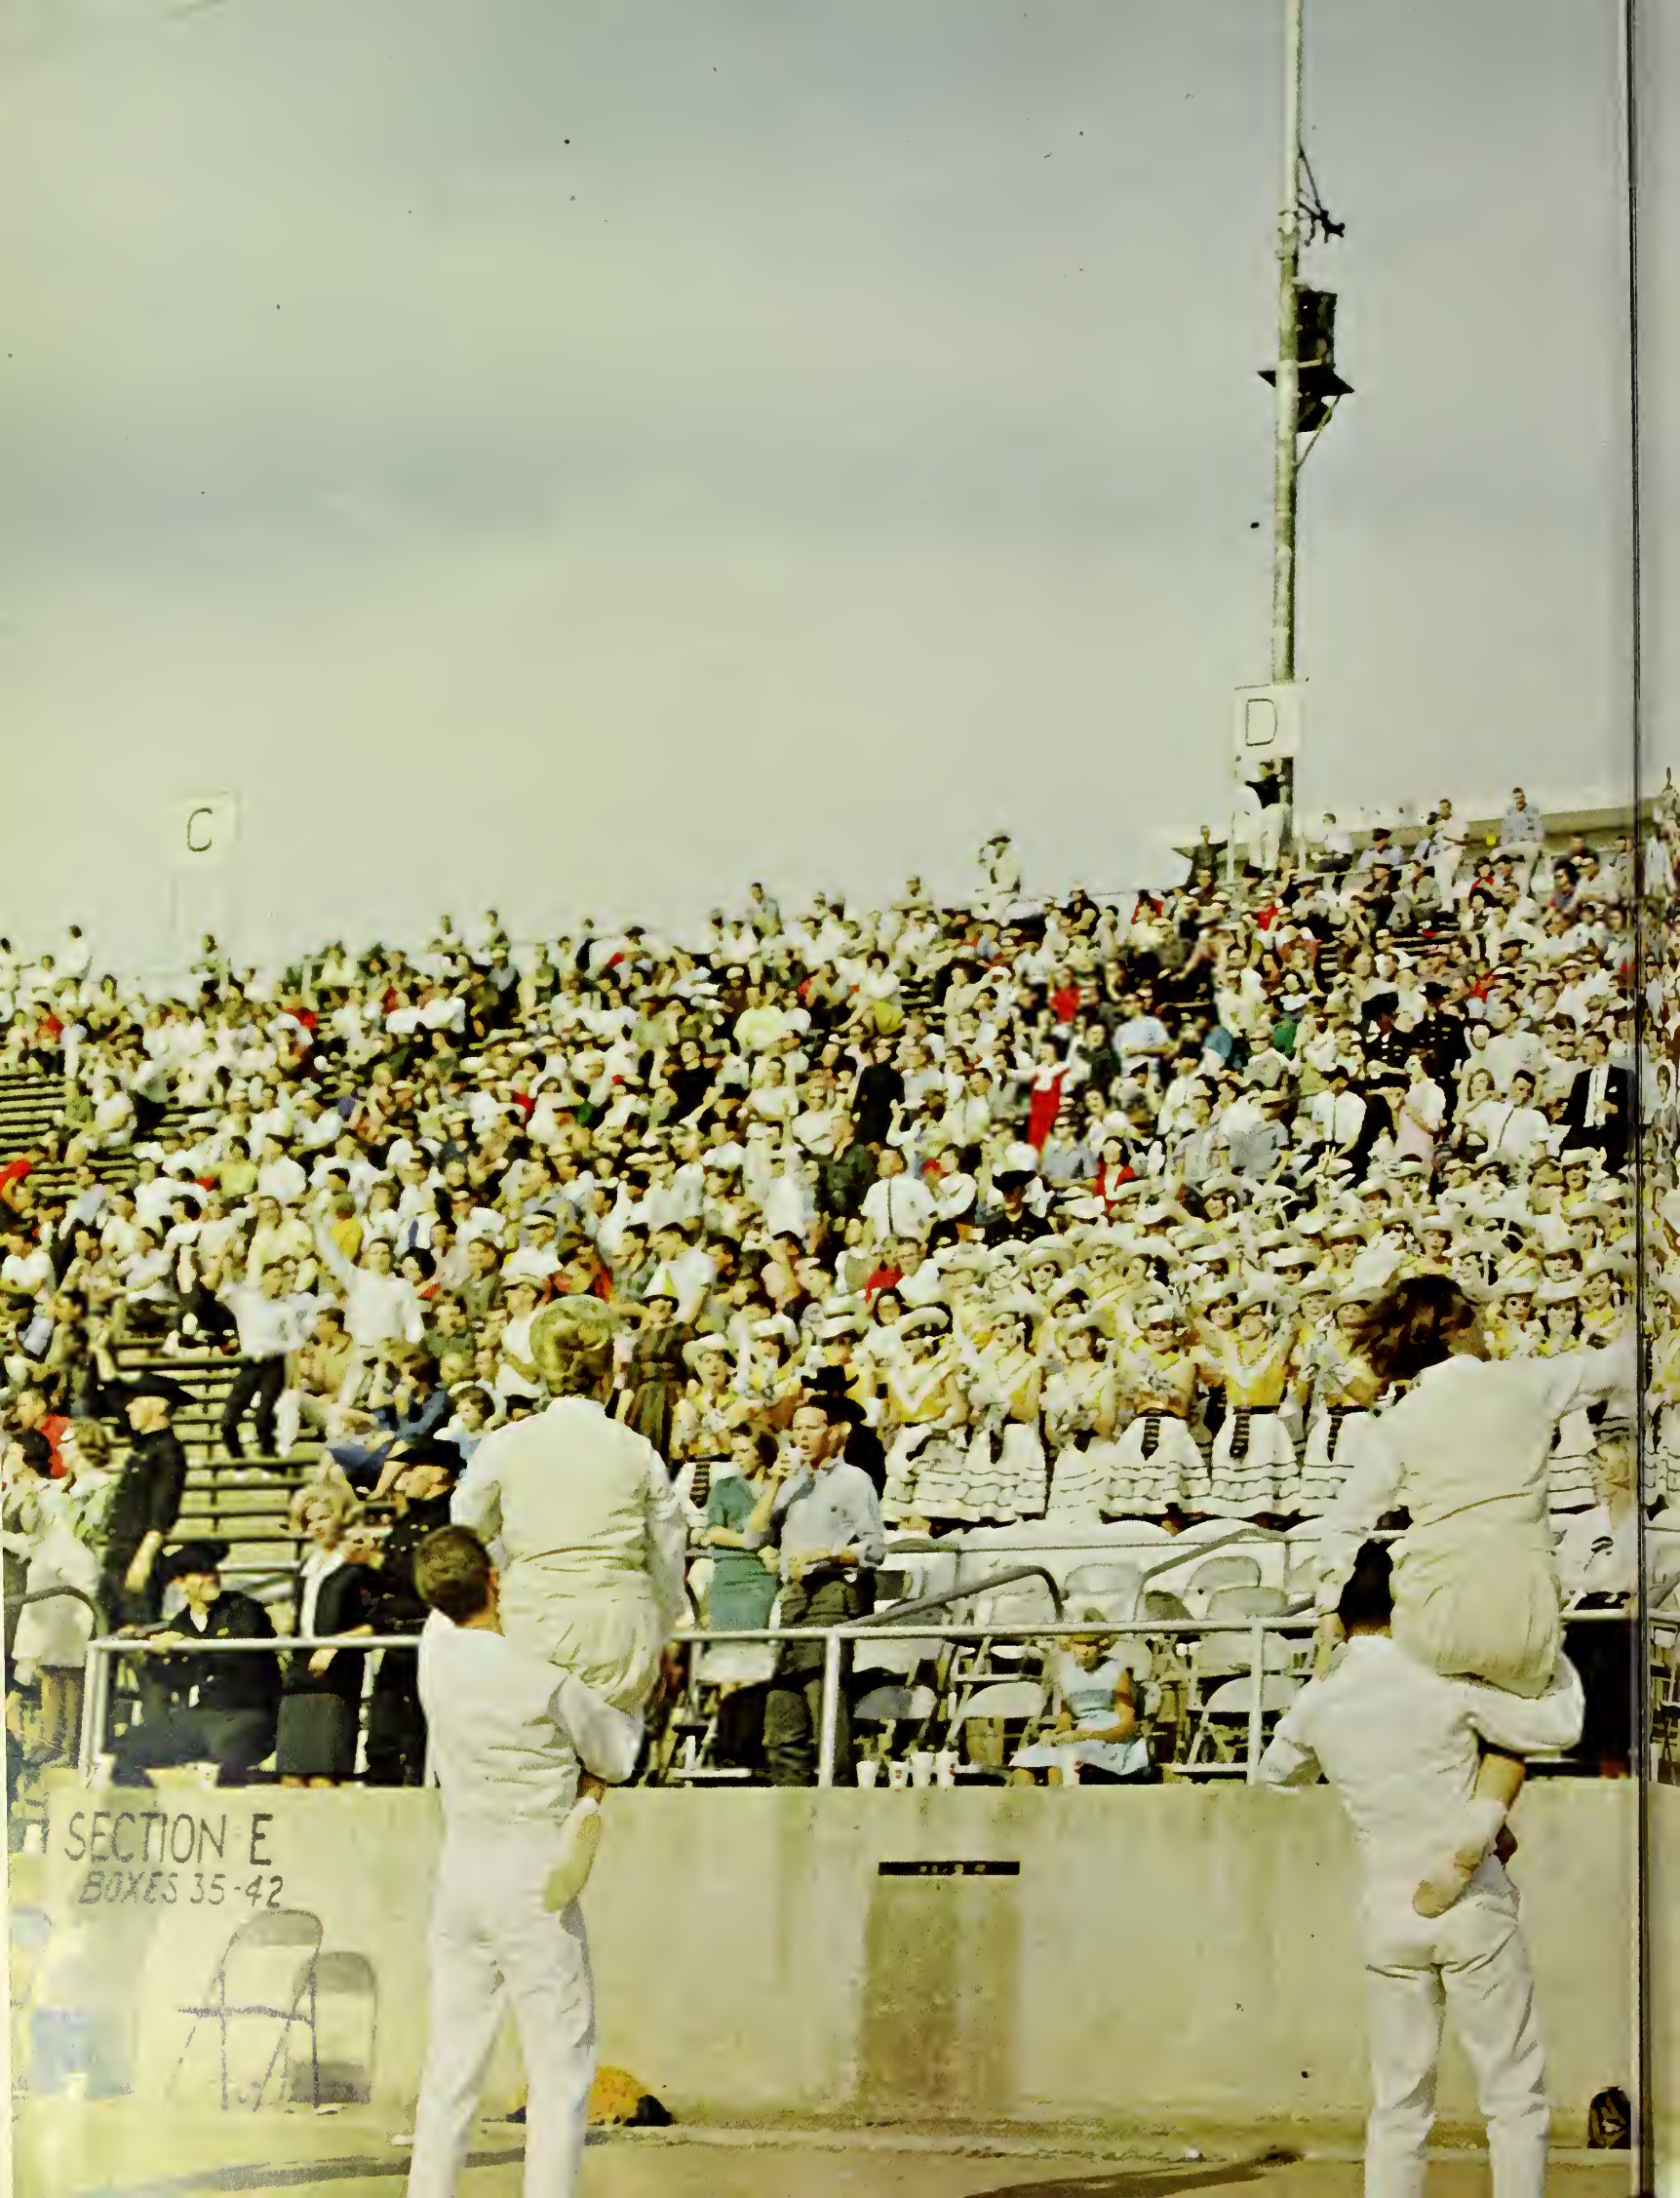

*— Tyler Junior College offers unlimited opportunities to its alumni, but learning is an individual duty. Each student must strive to attain the mark of excellence so he might achieve his goals in life. This advantage is readily available to all who accept the challenge —*

All Apaches, men and maidens  
Raise your voices high  
Till the echoes heavy laden  
Swell up to the sky!  
On to Honor! On to Glory!  
On to Victory!  
Hail to thee our Alma Mater  
Hail to T-J-C

# Homecoming 1964

As part of the annual homecoming activities, a homecoming parade through downtown Tyler was one of the highlights. The parade included the Apache Band and Belles, administration, and a beauty representative of each organization. During the pep rally on the square the beauties and the Homecoming Queen nominees were introduced. During half-time of the homecoming game the Queen was announced and presented red roses.

## Bonfire draws an enthusiastic crowd . . .

To rally the Apache spirit of homecoming, a gigantic bonfire was built on a vacant lot near the Tyler Junior College campus. Kappa Sigma Lambda Fraternity sponsored this annual event.

Dean E. M. Potter lighted the bonfire, according to Apache tradition.

The Apache Guard Association started the tom-tom marathon as part of the activities at the bonfire, and continued beating the tom-tom throughout the entire homecoming parade and game.

Yeah, yeah, yeah!

Anybody who can't draw plans for a kite is pretty bad off.

Hold it! You just sat down on my piece of cake.

Push ups the easy way.

Hmmm . . . the temptation is too great; where are my matches?

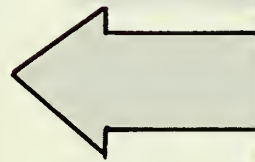

You sure you can support this young lady on \$27.50 a week?

Please, please, don't split now.

This is the craziest thing I've ever done . . . Shirley Bo Birley.

"Marsha . . . ?" "DOUG!!!"

Mr. Ness, put away the machine gun and give us a chance to explain!

Gallantry isn't gone yet.

Uh Oh, my wife just walked in!

That's enough sugar in this tank . . . let's get the next one.

We should have it centered on Vaughn Hall!

I just dare you to push that switch.

Alright now—who made that remark about me eating birdseed?

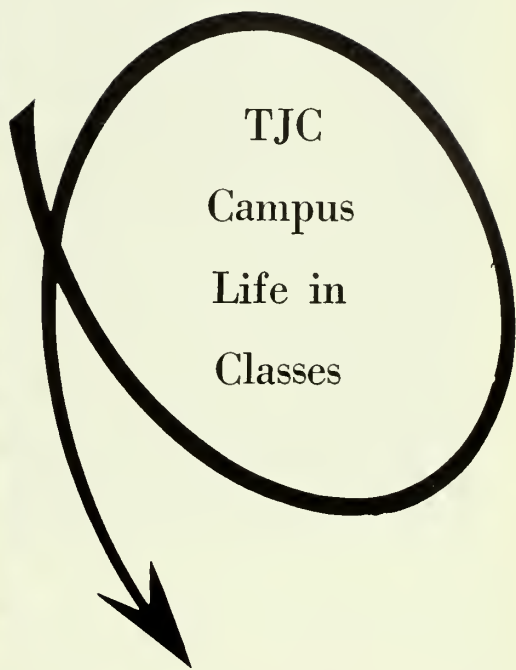

I never rode my bicycle like this!

I suggest we scap the whole bit and start over; either that or we'll have to learn to spell.

"Look, I'm picking up the Mayer & Schmit style show on the oscilloscope!"

Work like dogs . . . day after day . . . after day. I'm bustin' out tonight.

O. K., we'll meet at the gym, and then we'll raid the . . .

Will you hurry up, I'm sittin on ice!

Now everybody smile and say Rumpelstilskin?

And they said this wouldn't be boring.

"They say nurses have a glamorous life?"

Magnificent beauty!

"They say we are Student Nurses?"

There's always a smile for Mr. Stiles.

The Electronics Club of Tyler Junior College was organized during the spring of 1964. It was instituted for those students attending TJC who are pursuing an electronics profession or any related field of study. The past year the club has grown to a membership of twenty-five and it is expected that the next year will produce twice the present roll. The members enjoy lectures by special guest speakers occasionally and at times a member demonstrates a new concept in electronic equipment.

The Electronics Club serves to acquaint its members with all practical aspects of electronics as well as promote individual interest in the varied field towards a successful professional career. During the fall of 1964, the club was granted an amateur radio license by the Federal Communications Commission after a year of hard planning and red tape. The call sign of the station is WA5DNK. In the future the club will attain the necessary transmitters and equipment which will enable it to “get on the air.” All technically minded students at Tyler Junior College are invited to become members of this very talented and imaginative group.

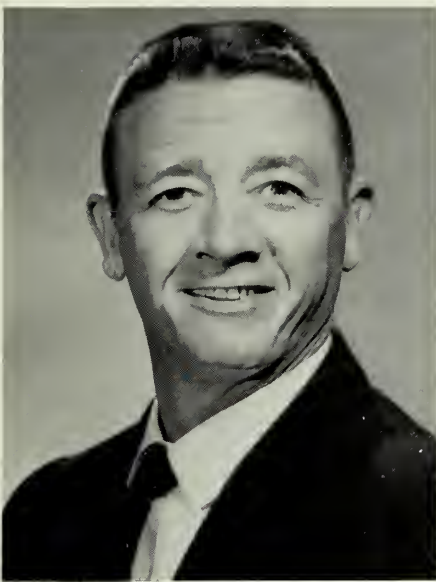

# Apache Guard Association

The purpose of the Apache Guard Association, as set forth in their constitution, is to promote better school spirit, to protect all property of Tyler Junior College, and to work hand in hand with all organizations for the betterment of the college. At football games and pep rallies, the "Guard" sits in a group and gives their moral support to the "Apaches." The AGA is in charge of the famous victory bell and the equally famous scalp pole which contributes greatly to the school spirit.

Organized in 1927, To-Kalon Sorority is the oldest established sorority at Tyler Junior College. The name To-Kalon is of Greek origin meaning good and beautiful. In Indian language, it means friendly maiden. The colors of the sorority are red and white; the flower is the rose.

To-Kalon, along with Alpha Delta Chi Fraternity, sponsored the all-school Christmas Dance. The sorority also acts as a service organization. Their other activities featured a fund raising drive for the mentally retarded children and an Easter Egg hunt for handicapped children. ToKalon also sponsors the all-school picnic in the spring.

Membership is based on scholastic standards, personality, loyalty, and ability to serve the college, city, and sorority when needed.

Sans Souci Sorority is on campus for the fifth year after being inactive for five years. The aim of this sorority is to establish a sisterhood that will have for its four-fold objective the physical, intellectual, social and spiritual development of its members.

The sorority's symbol is a shield and a torch and the chosen flower is the yellow talisman rose. Sans Souci is French meaning "Free of care." Highlights of the year were the acceptance dinner for the pledges, the all-college spring formal, and the formal installations of officers. This year Sans Souci co-sponsored the Mardi Gras Ball with To-Kalon Sorority.

Kappa Sigma Lambda proudly displays an atmosphere of brotherhood and also renders numerous services to the student body of Tyler Junior College. Activities of the fraternity begin early in the fall semester when the fraternity accepts pledges.

Homecoming closely follows these activities, and Kappa Sigma Lambda undertakes the job of building the annual homecoming bonfire.

The arrival of the new semester brings open rush and new pledges are accepted into the fraternity. In March Kappa Sigma Lambda is the sponsor of "Western Week." This includes a Beard growing contest, and is highlighted by the Spring Rodeo. During the week students must wear at least three articles of western clothing or pay the consequences—being thrown in jail and paying a ten cent fine to gain their freedom.

Kappa Sigma Lambda makes up part of the college life for many male students and contributes to many worthwhile projects for improving the image of Tyler Junior College.

# Las Mascaras Speech and Drama Club

The Las Mascaras Speech and Drama Club is the oldest organization on the Tyler Junior College campus. It was founded in 1926, the day after the college opened its doors as an institution of higher learning.

The name for the club was selected from numerous suggestions submitted by speech students. The title "LAS MASCARAS", which means "THE MAXCARADERS", was conceived by a young freshman by the name of E. M. POTTER. The title has remained with the organization throughout its thirty-nine year history.

The purpose of the LAS MASCARAS CLUB is to further the skills and interests of the students of Tyler Junior College in the fields of Speech and Dramatic Arts by continuous and active participation in all such areas.

## CLASSROOM — last summer

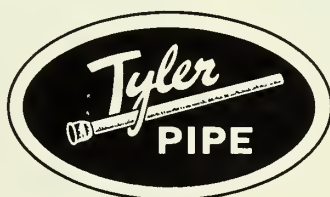

For a dozen students, this was their summer classroom.

Grades were given in different ways and study periods lasted eight or ten hours a day.

We hope that each man's course of study  
has made some contribution to his future health, happiness and well-being.  
To all graduates,

Our compliments on your achievements,

Our best wishes for the attainment of your future goals,  
and from all divisions of Tyler Pipe, CONGRATULATIONS!
